Turkey drive is On!

GOBBLE!

GOBBLE !

GOBBLE!

Dear friends;

### **WE NEED YOUR HELP!**

We are in the process of getting sponsors for our annual Turkey Drive. We provide 30 Turkeys complete with the fixings in a basket to migrant and needy families from the R.O.S.E. program. This program helps migrant mothers learn English and teaches them business skills so they can join the workplace.

As you may be aware, this year we are helping the Faith\*Hope\*Love Charity (FHLC). This organization is a 501C3 that helps veterans find housing, healthcare, jobs, clothing etc. They own and operate Stand Down House which helps vets get on their feet as they become productive in the workforce. We would like to provide 10 Turkeys for their resident families.

As you all know, Thanksgiving is the time of year when we try to help others. Please help us help these wonderful people that need our help. If you can help us with any or all of our upcoming events physically or financially it would be greatly appreciated.

### **UPCOMING EVENTS**

**November 12, 2012** - Wellness Associates of Florida and Dr. Henry Pevsner MD will donate \$5 from the proceeds of MRIs and Nuclear Stress Tests from October 1 thru November 11th to Faith\*Love\*Hope Charity and Stand Down House.

**November 20, 2012** - Turkeys and gift baskets to be presented to needy families from the R.O.S.E. program and veterans from FLHC at Wellness Associates of Florida.

**December 8, 2012** - Health Fair at Professional Therapeutics for the community. Free to Everyone! We will provide a variety of medical services, Free massages and raffle prizes to those who attend. We are looking for more doctors offices to participate.

**December 20, 2012** - Wellness Associates of Florida's Annual Toy Drive. This toy drive was started by WPSP Radio (1190AM), Dr. Cordero and Amado Lopez (president of Wellness Associates) about 8 years ago. Initially we bought 10 big toys ie. bikes, sony playstation, Tv's and others to fulfill a child's dream. Now we have grown and buy smaller toys for kids 12 and under but we are able to give more toys overall. Last year we gave away approximately 130 toys to needy kids. The kids come to our offices at Wellness Associates of Florida and they are greeted by Santa and his Elves. They get their toy, a picture with Santa and their family and free food and water. We also have fire rescue trucks from the City of Boynton Beach and Palm Beach County Fire rescue for the kids to enjoy.
